

# Commuter Benefits Qualified Parking Plan

## Enroll in the Qualified Parking Plan and Save

A Qualified Parking account allows you to put aside money to pay for eligible parking expenses such as parking garages and parking lots where you park your car while you're at work. The funds going into your parking account are tax free, which saves you money on services you already purchase.

You'll save up to 40% on your commuting costs, including metered parking.

## How Do I Access My Qualified Parking Funds?

The Chard Snyder Benefits Card provides an easy, convenient way to pay for commuter services at the time of purchase. It works just like a debit card, but utilizes smart technology so it can only be used to pay for expenses that are eligible according to IRS guidelines under the Commuter Benefits plan.

You can also pay for **parking only** expenses out-of-pocket and file a claim on the Chard Snyder Mobile App or your online account to be reimbursed.

You may only use the amount of money in your Commuter Benefits account at the time you use your Benefits Card or submit a claim.

If your commuting needs change, your employer's Human Resources department can help you enroll, change, or stop your Commuter Benefits deduction according to your plan rules.
