# Commuter Benefits Qualified Parking Plan

Commuter Benefits are designed to save you money on the costs of commuting to and from work. The Qualified Parking Plan allows you to save up to 40% on your commuting costs, including metered parking.

## Enroll in the Qualified Parking Plan and Save

A Qualified Parking account allows you to put aside money to pay for eligible parking expenses, such as parking garages and parking lots where you park your car while you're at work. The funds going into your parking account are tax free, which saves you money on services you already purchase.

## Qualified Parking Eligible Expenses

# The Chard Snyder Benefits Card

Use your Chard Snyder Benefits Card for a simple way to pay your mass transit or vanpool fares, parking garages, even meters. Your payment comes right out of your account.

## How Do I Access My Commuter Benefit Funds?

The Chard Snyder Benefits Card provides an easy, convenient way to pay for commuter services at the time of purchase. It works just like a debit card, but utilizes smart technology so it can only be used to pay for expenses that are eligible according to IRS guidelines under the Commuter Benefits plan.

You can also pay for **parking only** expenses out-of-pocket and file a claim on the Chard Snyder Mobile App or your online account to be reimbursed.

You may only use the amount of money in your Commuter Benefits account at the time you use your benefits card or submit a claim.

If your commuting needs change, your employer's Human Resources department can help you enroll, change, or stop your Commuter Benefits deduction according to your plan rules.

## You Will Receive Two Cards in the Mail

Both cards will show your name. Family members are not eligible to use the Commuter Benefits plans.

If you have a Flexible Spending Account (FSA), Health Reimbursement Arrangement (HRA) or Health Savings Account (HSA) through Chard Snyder, all your plans are available using the same benefits card. Have your spouse or other family member sign the second card for use with those plans. The family member signing the card becomes the official user of that card.

## Activating Your Card

Call the toll-free number on the sticker on the front of your card or visit our website to activate your cards. You can use both cards once the first card is activated—you do not need to activate each of them.

## Keep Your Benefits card From Year to Year

There is an expiration date shown on the front of your benefits card. Keep your card, even after you have emptied your account for the current year. When you enroll next year you may begin to use it to draw on the new balance. You can even skip a plan year and the card will work when you re-enroll unless it has expired.

## If Your Card is Lost or Stolen

Use your Chard Snyder online account, use the Chard Snyder Mobile App, or call Chard Snyder directly at 800-982-7715 to report a card lost or stolen as soon as you realize it is missing. We will cancel your current cards and issue replacement cards.

## Mobile Wallet Contactless Payments

Add your Chard Snyder Benefits Card to your mobile wallet for fast and secure payments:

1. Open the mobile wallet option on your mobile device
2. Select *Add a New Debit or Credit Card*
3. Add your benefits card by taking a photo or entering card info
4. Complete authentication process

Once successfully added, you can use your mobile device to purchase Commuter Benefits eligible items by tapping your phone on the card reader.

## Did You Know?

The IRS requires proof that your card was used for eligible expenses.

## No Worries!

The Chard Snyder Benefits Card allows many items and services to be **automatically** proven.

*You may use your card until the expiration date shown on the front. You will receive new cards just before your current card expires.*

# Using Your Chard Snyder Benefits Card

Use your Chard Snyder Benefits Card to pay for your mass transit or vanpool vouchers or passes and parking. It's easy and it keeps your cash in your pocket.

## Pay for Parking Expenses With the Benefits Card

Many parking facilities will allow you to use your benefits card to pay monthly parking fees for garages or parking lots. You may also use the benefits card in parking meters that accept cards.

If you are asked to choose between *Debit* and *Credit*, choose *Credit* when paying with the benefits card.

## You May Add a PIN to Your Chard Snyder Benefits Card

You may choose to use your card by swiping it and providing a signature or through the use of a four-digit Personal Identification Number (PIN) at the point of sale.

The use of a PIN is not required to access your funds through the card. Even if you choose to add a PIN and forget it, you may choose Credit on the keypad and sign for the charge.

To use your optional PIN number, choose Debit on the keypad and enter your PIN when requested.

## Call (866) 898-9795 to set up a PIN for your Chard Snyder Benefits Card

Chard Snyder cannot change or provide a lost PIN number. You must call the phone number provided above for those services.

## Eligible Expenses

Use your Commuter Benefits money to pay for a variety of expenses, but keep in mind the IRS has specific rules about which expenses are eligible.

# How to Verify Benefits Card Purchases

Follow the rules to keep your benefits card working for you every time you need it.

## Commuter Expenses Do Not Require Verification

The benefits card is programmed to recognize Parking expenses. No further verification is needed.

## A Missing Healthcare Receipt From Another Chard Snyder Plan Could Stop the Use of the Benefits Card

If you have another benefit plan with Chard Snyder (FSA, HSA, HRA), the benefits card may be suspended if you do not provide proof when requested to verify eligible expenses for those plans.

The benefits card recognizes many eligible health expenses at a store cash register. When your card swipe matches an eligible expense, all is well.

When there is no match, such as with many hospital, dental, optical and doctor's office expenses, Chard Snyder will let you know that proof is needed of your expense.

If you don't provide the information within the requested timeframe, the IRS requires that we suspend the use of your card. This could also stop you from using it for Transit and Parking expenses.

## How to Verify or Repay Your Ineligible Health Expense

If you receive an email from Chard Snyder asking for additional information regarding a healthcare expense, you must verify your expense was eligible or repay the amount to your plan. Here's how:

### Verify the expense (Substantiate)

Take a picture of your EOB, itemized bill, or receipt with your mobile device.

Any EOB, itemized bills, receipts, or invoices must include:

- Date of service (must be during the plan year)
- Provider's name
- Name of person receiving the service
- Amount you must pay after insurance has paid their portion
- Description of service or product purchased

Submit the photo documentation on the Chard Snyder Mobile App or upload on your online account. It's that easy! If you don't have an itemized receipt, contact the provider or your insurance company and request an EOB or a copy of the receipt.

### Repay the expense (Use ONE of the following methods)

- Log in to your account and provide banking information to repay online
- Substitute ineligible expenses, or expenses without documentation, by submitting a valid claim for eligible out-of-pocket expenses. Dates of service must be in the same plan year as the ineligible expense.
- Send Chard Snyder a check with a copy of the request you received to: PO Box 2924, Fargo, ND 58108-2924

*If you don't verify the expense or repay the cost, your benefits card could remain suspended for both your Commuter and Health FSA plans until you do.*

# How To File A Claim

## When Your Reimbursement Should Arrive

Your check will arrive based on your employer's payment schedule, usually within about two weeks. Payment could arrive sooner if you are using direct deposit into your personal checking or savings account.

If you request reimbursement by check and your approved payment is less than \$25, we will wait to send reimbursement until we receive additional claims that make your total reimbursement amount at least \$25. If we don't receive any additional claims, we will send your reimbursement at the end of your plan's runout period. There is no minimum amount required for reimbursement by direct deposit.

## Receive Your Repayment Directly Into Your Personal Bank Account

1. **Log in** to your Chard Snyder online account
2. **Click** the *Tools & Support* tab
3. **Under** the *How Do I?* section, select *Change Payment Method*
4. **Under** *Current Payment Method*, select *Update*
5. **Click** *Direct Deposit* under *Alternate Payment Method* and click *Submit*. Enter your bank account information if prompted.

## Your Email Address is Important

Provide your email address to receive a confirmation when we enter your claim and again when your payment is sent. You will receive your payment either by direct deposit into your personal bank account or by check through the US mail.

If you change your email address you may update it from your computer or mobile device:

1. **Log in** to your Chard Snyder account online
2. **Click** on your name in the upper right corner to open the drop down menu, or go to the *Accounts Tab/Profile/Profile Summary*

# Commuter Benefits Changes to Your Plan

Everyone's life changes now and then. When it does, make sure to change your Commuter Benefit to fit your new situation.

## Change the Amount You Set Aside For Your Commuter Benefits

You may change the amount of money you decide to have deducted for your Parking plan as needed.

You must notify your employer within the time span your plan requires. Your company's Human Resources department will help you complete any paperwork required to make your change.

## What Happens When You Leave Your Job or Become Ineligible for the Benefit?

If you leave your current place of employment or become ineligible for the plan, you may still have a certain period of time (called a runout period) to submit claims for parking services purchased before you became ineligible. Call Chard Snyder or ask your Human Resources department for the period of time allowed for these claims under your plan's rules.

Any money remaining in your account at the end of your runout period is lost.

## A Few Things to Keep in Mind About Commuter Benefits

- You can only spend the IRS maximum each month
- Parking claims must be submitted within 180 days of the service
- Mass Transit and Qualified Parking are separate Commuter Benefits plans (*Money may not be transferred between the two accounts.*)
- Family members are not eligible to use Commuter Benefits plans

## What Happens During a Leave of Absence?

Sometimes we need to "take a break" from our jobs, because of our own or a family member's illness, because we've been called up for a tour of duty with the military, or some other reason. How it will affect your Commuter Benefit depends on the reason and expected length of time for your leave of absence.

**Contact your Human Resources department for information on leaves of absence.**
