## What is a Flexible Spending Account?

A Flexible Spending Account (FSA) can help you save money for dental and vision items and services for yourself and your family. FSA funds are deducted from your paycheck before taxes, so the money deposited into the account is **tax free** which **saves you money**.

You may save **up to 40%** on your dental and vision costs.

## What is a Limited-Purpose FSA?

A **limited-purpose FSA** is designated for eligible dental, vision, and preventive care expenses only. The limited-purpose FSA allows those with a Health Savings Account (HSA) to use HSA funds for medical expenses and use the limited-purpose FSA funds for eligible expenses such as orthodontia or glasses.

## What are Limited-Purpose FSA Eligible Expenses?

The IRS determines what expenses are FSA eligible. Eligible expenses are reimbursed if they are incurred by you, your spouse, or your tax dependents during the plan year. The charts below show examples of eligible and ineligible expenses:

### Eligible Expenses

Dental Visits	Dental Deductibles	Allergy Shots
Dentures	Dental Procedures	Annual Physical
Dental Fillings/Implants	Orthodontia or Braces	Blood Pressure Monitor
Dental Surgeries	Contacts	Labwork
Occlusal Guards	Eye Exams	Sunscreen
Teeth Cleanings	Eyeglasses	X-rays

### Ineligible Expenses

Medical expenses that are not related to dental, vision, or preventive care	Cosmetic Dental Services	Toothpaste
	Insurance Premiums	Dental Floss
		Teeth Whitening
Cosmetic Optical Services	Toiletries	Bug Spray

## Am I Eligible for a Limited-Purpose FSA?

The limited-purpose FSA is offered by employers to complement a Health Savings Account (HSA). To maximize savings, you can enroll in both a limited-purpose FSA and an HSA. You are not eligible to be enrolled in both a health FSA and a limited-purpose FSA.

## How Do I Access My Limited-Purpose FSA Funds?

The Chard Snyder Benefits Card provides an easy, convenient way to use your limited-purpose FSA funds to pay for eligible dental and vision items and services. It works just like a debit card, but utilizes smart technology so it can only be used to pay for expenses that are eligible according to IRS guidelines under the FSA plan.

The Chard Snyder Benefits Card eliminates the need to pay out-of-pocket, submit a claim, or wait for reimbursement. Simply swipe the card at your dentist's office or eye doctor's office and the funds are automatically deducted from your limited-purpose FSA.

You can also file a claim on the Chard Snyder Mobile App or your online account.

- Works like a debit card
- Connect with your mobile wallet for contactless payments
- Save your receipts

*You may use your card until the expiration date shown on the front. You will receive new cards just before your current card expires.*

## Why Do I Need to Save My Receipts?

The IRS requires Chard Snyder to confirm that you used limited-purpose FSA funds for an eligible service or purchase. You may be asked for copies of itemized receipts, statements, or Explanation of Benefits (EOB) from dentists' offices or eye doctor's offices and stores to verify eligible expenses.

Just take a picture of the itemized receipt with your smart phone and submit it using the Chard Snyder Mobile App or your online account. It's that easy!

Once you provide the requested information for a transaction that is not immediately recognized as eligible, the transaction in question is normally verified quickly. *(If you do not provide the requested documentation in a timely manner, your card may be turned off.)*
