

Welcome to Chard Snyder!

You have recently enrolled in a
Flexible Spending Account.

Where do you go from here?

Log In to Register Your Account

Visit the Chard Snyder website and click on the blue *Login* button in the upper right corner of the page. Under Participants in the blue area, click ACCESS YOUR FSA, HRA, HSA ADVANTAGE, COMMUTER BENEFITS ACCOUNT(S) to be taken to the login page.

If this is the first time you have logged in, select *Get Started under New User* and complete the steps. Due to security concerns, please log in within **90 days or contact our participant services team for assistance.**

If you have previously accessed your account, please use the *Existing User* section. If you do not remember your information, use the *Forgot Username* or *Forgot Password* links for assistance.

Check your plan balance, request transactions, sign up for text alerts, update your email address, and more when you access your online account.

FSA Reference Guide

The Flexible Spending Account (FSA) Reference Guide has all the information you need to manage your plan.

The FSA offers three separate accounts. Your benefit plan may offer the health, dependent care and/or limited purpose accounts. Each account is designed to help you save 25-40% on merchandise and services you already buy.

The Chard Snyder Benefits Card

You will receive your benefits cards in the mail.

The Chard Snyder Benefits Card is an easy way for you to directly access the money in your FSA. It works like a debit card, but utilizes smart technology so funds can only be used for expenses that are eligible under the FSA plan.

Log in to your account or call Chard Snyder at 800.982.7715 to report a lost or stolen card.

[Click to watch](#) how to substantiate (or validate) your FSA purchases online or on the mobile app.

Manage Your Plan On-the-Go

The Chard Snyder Mobile App provides 24/7 account access at your fingertips. The mobile app is the simplest way to view and manage your tax-free accounts. Using the mobile app you can conveniently:

- View account balances and transaction details
- Submit FSA claims with receipt images using your phone's camera
- Catalog past and current receipts
- Enter your bank account for seamless transfers
- Scan product barcodes for purchase eligibility
